

Engage a Challenge Board

During a Challenge Board delivery session, select point values under a category, have a team call them out, or use the random student picker to choose a team to pick a category. Then click on that point value to display a question. As soon as you start the response cycle, teams can discuss, point, and click their answers.

1. Click the **Engage>Team Activities** tab.

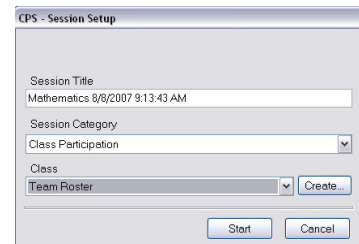

2. Click **Challenge** . Your available Challenge Boards appear in the right side of the screen.

3. **Select a Challenge Board** from those available.

4. Click **Engage**  in the Activity group . The Session Setup window appears.
